

Ladies and Gentlemen,

As Brigade reform is upon us and a new academic year begins, The LOG Magazine returns for another great chapter in this, the hundredth year of its storied legacy. Our mission is to provide humor and wit to Bancroft Hall, and we need your help. Please subscribe and support our efforts in delivering an issue to every member of the Brigade. A subscription guarantees you a printed copy of each issue of The LOG during the 2013-2014 academic year, as well as access to our online version. To subscribe, follow the instructions on the attached form. Please be sure to also pass this on to all Navy fans, alumni, and parents who may be interested in hearing from old Salty Sam. As always, we appreciate your continued support and hope you enjoy!

Very Respectfully,

Michael S. Ebeling
